# A Note from the President

Hello,

2018 has been one for the books for all our members, staff and friends here at OCP! As we are already preparing to make 2019 another great year, we want to give thanks to our Almighty God for making it all possible! I am so humbly grateful for our OCP Family, both staff and our wonderful members that make up our organization. Our strong and talented team members have made 2018 a successful year by assisting and serving our members to the best of their ability. Members have enjoyed many new renovations and great activities companywide this year, with more to come in 2019. Please join me in celebrating another new and great year here at OCP! God Bless you all!!!

~Mike Pournoury

## OCP Resort Operations

Ben Carr, Vice President

One of the many things that I enjoy in my work with Ocean Canyon Properties is the commitment of this company to continuously re-invest in the properties they operate. The members and guests who come to stay with OCP are receiving the very best product that OCP's resources can provide. In 2018 OCP invested in road improvements, additional rental units, upgraded power to sites, bath house renovations, new wastewater systems, new picnic tables, new playground equipment for youngsters, and many other things. In addition, this commitment to improvement included more robust recreational programming, more time helping members when they arrive at the resort, more effort being put into enhancing our social media presence, and finding more ways in which we can communicate and interact with our members and guests.

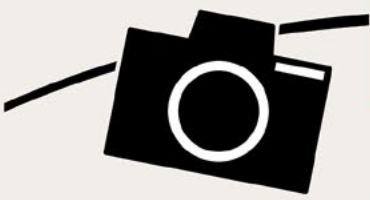

Perhaps the most compelling element of being a part of OCP is the unwavering commitment I see in a team of over 200 people who work diligently, each and every day, to make sure that we are doing all we can to ensure our

members continue to find value in their membership. Our Member Services team that answers all kinds of member questions and helps our members make their reservations is second to none in this industry. Our Accounting team that keeps us fiscally responsible and sound are a very dedicated group...as are the many others in our Home Office. And then there are the resorts! These eight properties are the touchstones of our business and it is at these resorts that our sales teams and our operations teams work tirelessly to ensure that each and every time you come to visit us there is a sense of coming "home" as you pass through our entries and settle in for your stay!

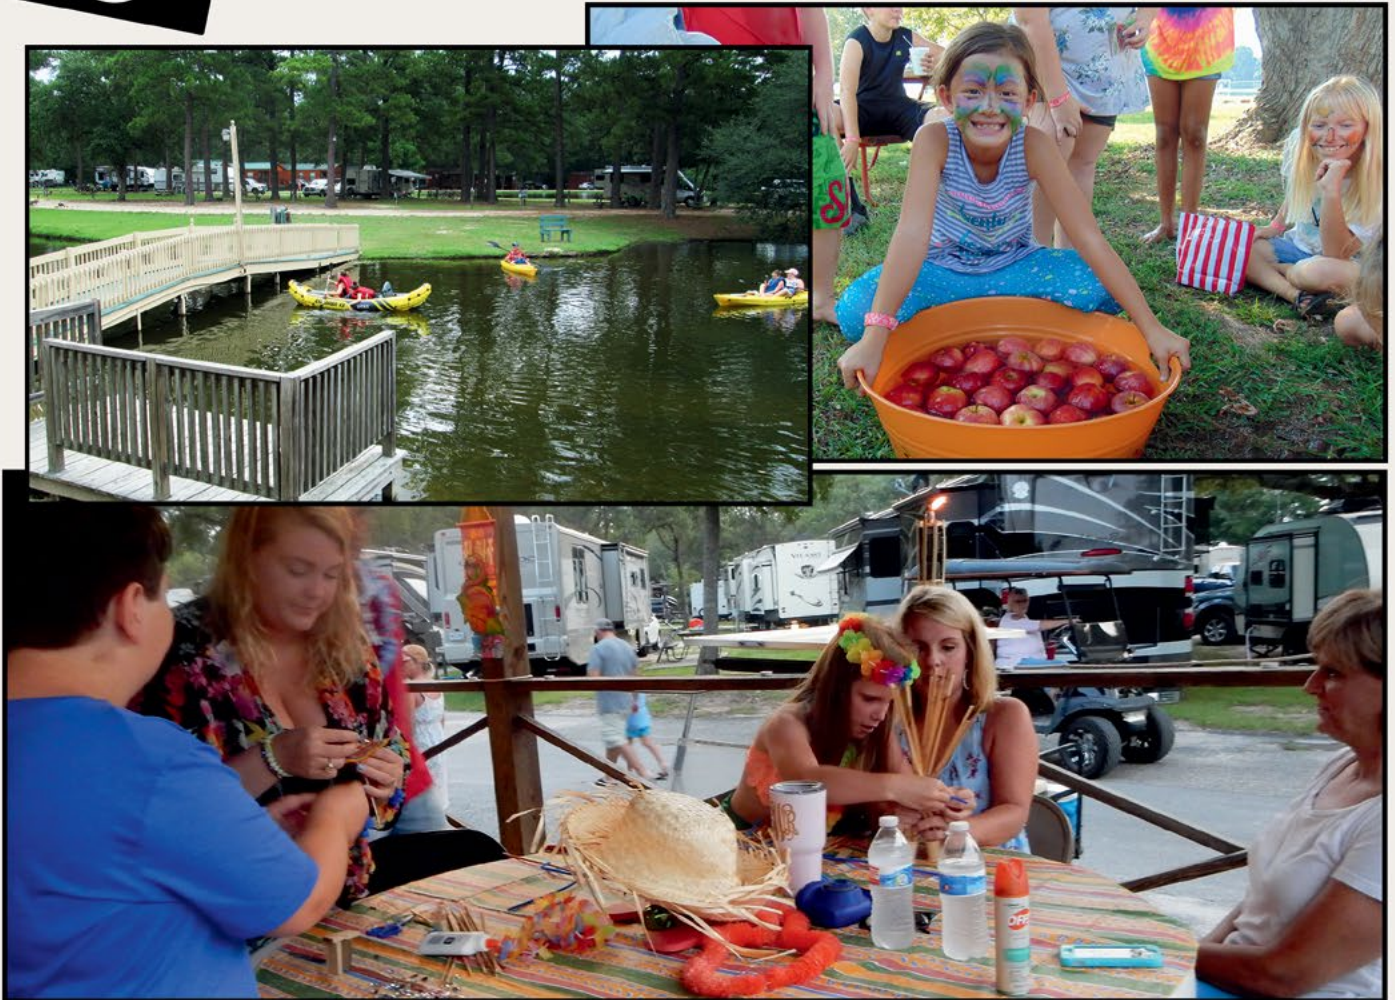

And finally, there is the heart of our business...our members. I am continuously energized as I travel through our system with the genuine willingness our members have to pitch in and help when needed, to share a story of their travels with me, to visit and offer suggestions of improvements they would like to see...and their words of encouragement and appreciation as they see us working to make each experience better!

We remain committed to growth and improvement and 2019 will bring much more of both to OCP!

continues to offer lots of memory making fun for members and guests of all ages! As we move into a new year, we will continue making Abita Springs an even more enjoyable place for all to enjoy.

In 2018, Abita Springs resort had many improvements made to the park. Most noticeably, the entrance road into the park has been resurfaced and a number of landscaping projects have taken place. Once into the park, members are enjoying a newly remodeled bathhouse and clubhouse, a new children's playground area, as well as getting a good night's rest on our cabins and cottages on the new mattresses that were installed this year.

Looking ahead, members are encouraged to come out and take advantage of all the great activities that will be taking place at the resort next year. In addition to our regular daily activities, there will be numerous major events happening throughout the year. For instance, the Abita Springs Town Garage Sale and Mardi Gras, a true Louisiana tradition, are two events that you won't want to miss! Plus, we will have special events around all major holidays as well. If

you're a first time visitor to Abita Springs resort, we hope that you will join in on our Friday night Bingo.

If you want to venture off the park during your visit, we encourage you to go and experience one of the many Farmer's Markets along the North Shore. You will also find that you are just an hour to downtown New Orleans and all that this great city has to offer.

While visiting the resort, members may have noticed a couple of new faces on our resort team, Hope Bessier in housekeeping and Chad Albe in maintenance. We hope that you will take a minute during your visit to say "Hi" to all our staff!

As 2018 comes to an end, resort manager Petra Reynolds reflected on the year, saying that "many fond memories were made this year and I am looking forward to 2019 because I'm ready to see returning members and meet the new members." She also stated, "I want to thank all those who have made this year memorable and to send a special shout out to John and Janice Owen, who were our hosts team this summer and did an amazing job!" As more improvements are being planned for 2019, alongside many great planned activities, Abita Springs resort will continue to become an even greater place for all to enjoy!

## OCP SPOTLIGHT

# Mike Pournoury

Over the course of the last 40 years Mike Pournoury has encountered people from all walks of life. He has been able to be a part of people's lives across all 50 states and over 40 countries. Within these same years he has found Christ, gotten married, had children, worked hard, graduated from college, started two successful companies, employed a lot of great people, and made a lot of friends.

Growing up in a family with seven brothers and a sister, Mike began his work life at an early age. His father owned a dry cleaners business and it was there that Mike began working when he was 12. Later, to help pay for college, he sold shoes and knives. And, as surprising as it may be, he would enter game shows to win a little extra money as well! When he wasn't at work, Mike loved being in the outdoors where he enjoyed fishing, hunting, playing soccer, or playing tennis with his friends. On special occasions, though, he would head offshore in pursuit of gamefish.

During his collegiate summers, Mike and a group of his closest friends would go camping deep into the North Carolina woods. And it was there that his passion for the camping and the outdoor recreation business took hold. Even today, he and these same friends still get together each year and go camping...at one of OCP's resorts!

In the spring of 1979, after graduating from The Citadel Military College in Charleston, South Carolina, Mike

began work as a membership salesman for National American Company (NACO), a company which is now known as Thousand Trails. His remarkable success in introducing families to the many benefits of membership camping resulted in his quickly becoming the V.P. of Sales for Thousand Trails. After a number of years helping TT to continue growing, he moved to the southwest and formed his own consulting business. And in 2007, after 28 years in the industry, learning all the do's and don'ts, he and his new business partner, Peter Graffman, formed Ocean Canyon Properties. In 2008 they purchased Millwood Landing, Tres Rios and Abita Springs RV Resort. And now, ten years later, they (with God's help and inspiration) have guided the company to the OCP system which we all know and enjoy.

Mike met his wife, Amy, on Valentine's Day while attending church. Between them they have three children and two grandchildren. Outside of camping and traveling together Mike and Amy most enjoy spending time with their grandchildren. If you ever walk into his office you will know of this strong family tie...it is decorated with their artwork!

God has blessed him with a lot of wonderful members and coworkers, which are the foundation of Ocean Canyon. His wish to each person he meets is that we pray for our country, for a peaceful 2019, and for a great year for Ocean Canyon Properties. God bless us all!!!

have had a great time enjoying all the activities this season. We put new roofs on our indoor pool and also in our Compton Ridge Lodge! We also built new horseshoe pits that are getting plenty of use, as well as an awesome new outdoor amphitheater for our members to enjoy. Looking ahead, we plan to continue with updates around the park. One in particular that we are so excited about, is beginning to tackle some improvements and refurbishments in our bathhouses!

Here at Branson Ridge, we take pride in our activities. This coming year, members can expect even more big events to take place for Memorial Day, Independence Day, Labor Day, Veterans Week, and Thanksgiving. Plus, we are already thinking about our biggest event of the season, which is our famous "Witchy Weekend" that celebrates Halloween. Our activities coordinator will have a fun set of weekly activities going on around the park all season long!

The staff were busy this year making updates to the park and the members

One of our most touching memories this past year is when Branson Ridge Resort took part in a very special Veterans Day Ceremony. Collectively, the resort and members put together a Wall of Honor. Resort manager, Bill Turney, says "The unveiling of our Wall of Honor on Veterans Day was moving to see. Our Veterans placed their names, pictures, and memorabilia up on the wall for all to view. This was a very special moment for all of us and I would like to give a special thanks to Dwayne and Rosa Boeres for their work on the wall."

As we move into the New Year, the team at Branson Ridge is already working towards opening week! They can't wait to see all of the returning members and listen to them share stories of their winter travels and adventures. There are so many things to do in Branson and our team encourages all our members and guests to come out and enjoy the fun!

Overall, Branson Ridge has had a great year! Whether it be the improvements that have been made, activities, or special events that have taken place, many great things have happened this season! We are looking forward to a great 2019.

Throughout 2018, we have been continuously making improvements to the park...while enjoying lots of fun activities! This year a new operations team has come aboard and we opened the resort to all our OCP members. One of the areas we really wanted to build up when we purchased Hideaway Ponds was our activities department, and Stacey Babin, our Activities Director, has done a great job of developing a fun schedule of events and get togethers that have been a hit for all our members and guests! From coffee socials to karaoke...from arts and crafts to live entertainment...she has brought a lot of energy and fun to the resort!

2018 also brought a lot of upgrades to the resort. Front entry signage was replaced, the playground area was expanded, park models and cabins were updated with decks and new furnishings, 4 new cottages were added, the WiFi system was upgraded, and many more projects were undertaken by the team here. And there is more to

Resort manager, Wanda Trosclair, is also excited about the great activities that members can expect to take place this next year. We enjoyed a busy 2018 at Millwood Landing as many newer members found their way to this beautiful spot in southwest Arkansas. The summer blessed us with warm weather and cloudless days so that folks could travel around this area and enjoy views of Millwood Lake, trips to the historic town of Old Washington (the old capitol of Arkansas), and plenty of golf on our 18 hole course.

2019 is shaping up to be a busy year as well. The team at Millwood Landing is planning to begin upgrading many of the cabin decks, re-skirt the cottages, and make some improvements to the activities areas. Plus, the fish that were stocked in the two ponds a few years ago are now of a size that they seem even hungrier for the worms, crickets, and crankbaits that our members are offering them from the shoreline. We certainly enjoy hearing the excited voices of our young fisherman as they hook into a big fish!

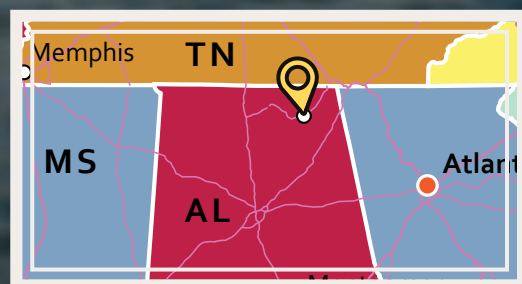

Manager Gary Gregory has a put together a great team

of employees at Millwood Landing and their passion for the members and the laid-back, resort atmosphere is sure contagious. Make sure you say hello to Martin Graham, Amanda Bass, and Tony Little when you visit. They are keeping the grounds and the large pool area beautiful for everyone to enjoy.

My, oh my it was a busy year here at Styx River Resort! Our staff and member volunteers worked hard this year to help make 2018 a year to remember. Numerous improvements were completed on the resort this year as we paved the east side of the property, continued with site improvements that included leveling and electrical upgrades, renovated the playground area, and added a handicap accessible cottage. These are but a few of the projects completed in 2018. And great news, there is much more in store for 2019! Jeff Skipper, the resort manager, is working hard to continue with site improvements and electrical upgrades this year and a major area of focus will be cabin renovations and updates. 2018 was also a great year for activities on the resort. No matter what day of the week or time of the year, you were sure to find an activity or function to your liking. Our activities' staff and volunteers brought us many memorable weekends: Mardis Gras, Hippie Weekend, Survivor Weekend, Cinco De Mayo, Gilligan's Island, Sock Hop, Fear Factor Weekend, Hawaiian Luau,

Games Show Weekend, Seafood Festival, Fall Festival, Halloween Haunted Carnival, Thanksgiving Derby Car Championship...and these are just a few.

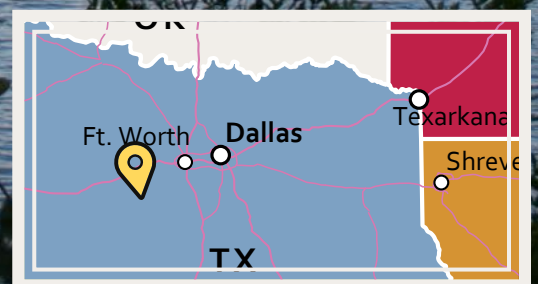

2019 is sure to be even better! We have many of your favorite activities returning and some new ones that are sure to be a hit. Make sure to check our website and Facebook page for all our activities and dates. And remember, if you're not here, you're not having as much fun as we are!

In 2018, we were very busy improving the park. We started last winter remodeling the insides and outsides of several cabins, we undertook road repairs, and perhaps the one biggest improvement everyone enjoyed this year has been the park WiFi upgrade that brought faster speeds to stay in touch with each other! During this time of year Tres Rios hosts a number of family reunions.
